Mayor's Office
Toronto.

April 17th, 1917.

Mrs. Marchington,

784 Pape Ave.,

City.

Dear Madam;-

I write to tender you and yours my sincere sympathy in the injury to your son, Corporal Fred Marchington, in action at the front. Your family is one of the most patriotic in Toronto, in regard to the noble response from your husband down, to the colors. You may more than be proud of the members of your family. and I hope your son will have a speedy return to good health. The late Colonel Beckett thought a great deal of your husband, who is one of the pioneers of his battalion.

Yours sincerely,

R Church

Mayor.
